## **Encampments and vehicles**

### **:: The camps**

- The camps will be installed around the perimeter of the castle of Franchimont.
- The castle is a partially stabilized ruins. We bring to your attention that the risk of stone fall is to be considered. The organization accepts no liability for injury or damage to objects and / or material or consequential caused the fall of stone or rubble.
- The locations are not specially provided for camping. Some places are wild and terrain may be difficult or awkward.
- The roads on the outskirts of which will be fitted camps must remain accessible at all times and must remain empty.

### **:: Public**

The camp is closed to the public, unless authorized by the organizers. We bring to your attention that if this event is of a private nature, the castle of Franchimont site can not be closed to visitors.

### **:: Trade and Crafts**

Please read the following to get the authorization of sales on site :

- Being in order of registration;
- Hold a peddler card;
- Giving one or more lots from its production to be offered to the winners of competitions organized during the event (see below).

All point of sale or craft not meeting these conditions - and even within a company or group - is forbidden on the site. Information could IHR.

### **:: Your vehicles**

Parking is scheduled offsite for vehicles of participants. This car park will be established on a closed and private land that will be available at certain times.

### **:: First Aid**

Each company will provide for its own first aid. In case of more serious accident, the organization could send the injured into a hospital in Verviers region.

### **:: Toilets**

Modern toilets will be available on the site.

### **:: Wood, straw and water**

The wood for your kitchen fire will be available to fill your needs during your stay. The straw will be available in the car park of the castle. Before you leave, please empty your bench in the straw container. Several points of drinking water are placed on the site.

29, 30 April, 1st May 2016

## **:: Waste disposal**

We ask you to take care of your camp place and leave it as clean as it was at your arrival. Plastic bags will be distributed on arrival. A container will be available on the car park to evacuate your waste at end of stay.

---

## **Habits - citizenship**

### **:: Authenticity**

Be particularly careful about this. Throughout the stay, do not forget that we operate in a medieval camp. Use only appropriate and evocative objects and adapt your behavior.

### **:: Between Friday 6 PM and Sunday 2 PM**

- Please enter and leave the site in medieval costume;
- No vehicle and/or trailer will be allowed to circulate on the site;
- Be discreet with your cameras, laptops and other modern objects.

### **:: Visit the castle of Franchimont**

This building is registered in the exceptional heritage of Wallonia. It is available to you and for free during your stay at opening hours. Saturday from 4 PM to 7 PM, it will be closed to the public and anyone who want to go inside must meet the safety criteria (see documentation "Saturday's fight").
